

# AGI Individual Membership: 'Recommend a Friend' scheme

We hope that, as an AGI Member, you are enjoying all the benefits, activities and services that are available.

With the mission of "maximising the use of Geographic Information for the benefit of the citizen, commerce and good governance" the AGI can benefit from your help in assisting us grow our membership base. Introducing the 'Recommend a Friend' scheme. Increasing the number of AGI members best ensures we can grow our services and coverage to you as well as help extend our influence in representing your interests in the world of geographic information and its associated technologies.

If you recommend the AGI to a friend, colleague or relative who then takes up individual membership (£75+ VAT pa) we will reward you with a gift option and our thanks.
