About

Why is GeoCom Different?

GeoCom is the AGI's flagship event and the largest independent event in the UK GI calendar which is organised for geospatial professionals by geospatial professionals. This year's conference theme '*Connecting Communities; the Geospatial Perspective*' delving into how geospatial technology is revolutionizing the way communities connect and interact. Stay ahead, connect, learn and lead.

GeoCom 24 is set to be a thrilling ride! Expect engaging networking sessions, enlightening panel discussions, and presentations from industry experts. You'll also hear thought-provoking addresses from some of the nation's leading figures in geospatial technology.

- Exclusive Insights: Access the latest trends and best practices from industry leaders
- Professional Growth: Enhance your skills and advance your career with expert-led sessions
- Unmatched Networking: Build valuable connections with peers and experts across multiple geospatial companies
- Engage Next-Gen Experts: Connect with emerging talent and foster innovation

The conference brings together the geo community with networking sessions, panel discussions, industry expert presentations and thought leadership addresses from some of the nation's biggest names in geospatial.

Promote Your Work

GeoCom is the place to share your experience and demonstrate solutions to a receptive audience.

Engagement and thought leadership from sponsors are a key part of the success of the event. We will work with you to make the most of this opportunity, and we offer a range of sponsorship options.

As confirmed you will find further event details on the GeoCom event page at: www.agi.org.uk/geocom/

Secure your sponsorship today

To register your interest in sponsorship, please contact AGI Member Support at info@agi.org.uk
